

2012 National Safety Stand Down

This year's FAASTeam Safety Stand Down focuses on Loss of Control. LOC is the dominant cause of fatal general aviation accidents. LOC accidents result from situations in which the pilot should have either maintained or regained control of the aircraft, but did not. Join your fellow pilots across the country in attending this exciting briefing! This will also be the Monthly Peterson Aero Club Safety Meeting.

Directions: Attendees MUST HAVE (or arrange in advance) ACCESS ONTO PETERSON AIR FORCE BASE! Enter west gate, go SE on Stewart Ave, right on Suffolk St, left on Glasgow Ave Parking is on right.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
